

Home Country Reimbursement Matrix – ANIB & BLUEBERRIES

Elective Home country In-Patient Cases

For Elective IP cases outside UAE - prior approval is required.

Please send an email with the details below to our claims team:

1. A Copy of the Ecard or Emirates ID of the member.
2. Name of the hospital.
3. Patient contact details of UAE and Home country.
4. Tentative Date of the Surgery/Treatment.
5. Copy of any medical reports.

Emergency Home country In-Patient Cases

Any life-threatening emergency IP cases should be intimated within 24 hours to the claims Team with the details below.

1. A Copy of the Ecard or Emirates ID of the member.
2. Name of the hospital where the member is admitted.
3. Patient contact details of UAE and Home country.
4. Copy of any medical reports if available.

Note: IP treatments outside India are on reimbursement basis. However, in some high-cost IP cases, we can assist with direct billing. Please always carry your Nextcare reimbursement form with you.
